Hi Sharon -

I actually reserved the teaming room since there would have been four of us, and I think I will keep it. The call-in number for that room is 617-918-8016 (for the triangle, which I find is better sound quality). I think it shouldn't be too bad since the room is small and there are only a few of us. Thanks for calling in!

Danielle

Hi Danielle,
Looks like I will be calling in on Tuesday. I don't know how to arrange for a call-in-number but not sure if it's necessary, given that it will be just the three of you and probably in Damien's office (?). So I could just call there. Anyway, thought you might like this photo if you haven't already seen it. Have a great weekend.
